

Bring the Pink Bag to School Project

(Suggested Promotion Letter to Parents)

Dear Parent/ Guardian,

We are having a clothing collection by promoting the “Bring the Pink Bag to School Project” organized by The Clothing Recycling Centre (TCRC) in order to raise funds for our school.

TCRC is an Australia wide recycler of used clothing; all the good used clothing goes to Papua New Guinea where clothing is always needed, especially in the cooler Highlands. With your participation we have the opportunity to raise funds directly for our school. You get the chance to sort through your wardrobes and draws and donate any unwanted clothing while helping raise the awareness amongst the children of the benefits recycling can bring to our community.

We need you to find;

1. All types of good used clothing, mens, womans, and childrens, must be suitable for re-use.
2. Wearable clean shoes in pairs (please tie together)
3. Blankets and sheets
4. Soft toys
5. Belts, bags and accessories

Everything is for re-use.

What we **cannot** use;

1. Wet or soiled clothing
2. Broken or dirty shoes
3. Broken toys or other items needing repair
4. No carpet or off-cuts of material

One pink bag will be provided, but you can use any other bags as required.

Don't hesitate to get friends, family and neighbours outside of school to participate as well.

The more you bring the more we will raise.

Our collection day is _____ day, date _____.

Thank you for helping make this a success.
